# Our rooms and the Maiensäss

Comfort & Relaxation.

Alpenrose, Edelweiss, Arnika, Enzian, Alpen-Aster, Männertreu, Silberdistel, Vergissmeinnicht and Gemswurz are the names of our 9 cosily furnished rooms. All are equipped with a double bed and alternately with a view of the Gotschna, the Roggenhorn or the busy forest where fox and hare say good night to each other.

Our rooms have that charm of feeling like home and not on a business trip.

A few metres away from the Alpenrösli is the charming, two-storey Maiensäss, a real bijou.

The Maiensäss is another option to work together undisturbed and still be able to claim the amenities of a hotel. On the ground floor is the living area, consisting of a large, cosy parlour, a seating area in true Graubünden style and a kitchen with everything you need to be active in the kitchen yourself if you wish. On the upper floor there are 3 cosy bedrooms, completely clad in wood.

# Our kitchen

A taste of the mountains.

Whether it's breakfast to get you going, an invigorating lunch, a break on the most beautiful sun terrace in Klosters or indulgent culinary delights in the evening after a successful day - we look after you from A-Z. Authentic. Lovingly. Flexible.

Our kitchen crew is inspired by the mountain world all year round and uses seasonal local products, such as the unknown but very interesting tasting sea buckthorn berry or lamb from the Gulfia farm in Serneus.

The balance between rustic and down-to-earth, yet elegant and original dishes particularly distinguishes us. We serve carefully selected wines to go with them. Our wine list makes many a wine connoisseur's heart beat faster and makes a visit especially worthwhile.

## Activities

# Deepen the team spirit

Shared experiences as  
incentives.

**Capuns cooking course** - The preparation of traditional Grisons capuns is both an educational and fun experience at the same time. It's up to you whether you want to eat them immediately or take them home.

**Wine tasting** - Taste your way through the Bündner-Herrschaft on our sun terrace, professionally guided by one of our wine partners from the Fromm winery. This is accompanied by a fine Prättigau platter with local specialties from the kitchen.

**E-bike excursion** - After a successful day, clear your head with fresh alpine air cycling through the Alps. Let a certified bike guide show you the most beautiful places around Klosters. E-bike, helmet and pads are provided by the sports shop in the valley. The only things you need to bring are sporty clothes, flat shoes and a love of nature.

**Sledding** - Sled down into the valley on our own sled run. Whether you prefer a leisurely ride or a time-trial race, both are possible. How about a hot mulled wine or punch at the start? We will gladly organise this for you.

” Obstacles and difficulties are steps on which we climb upwards.
